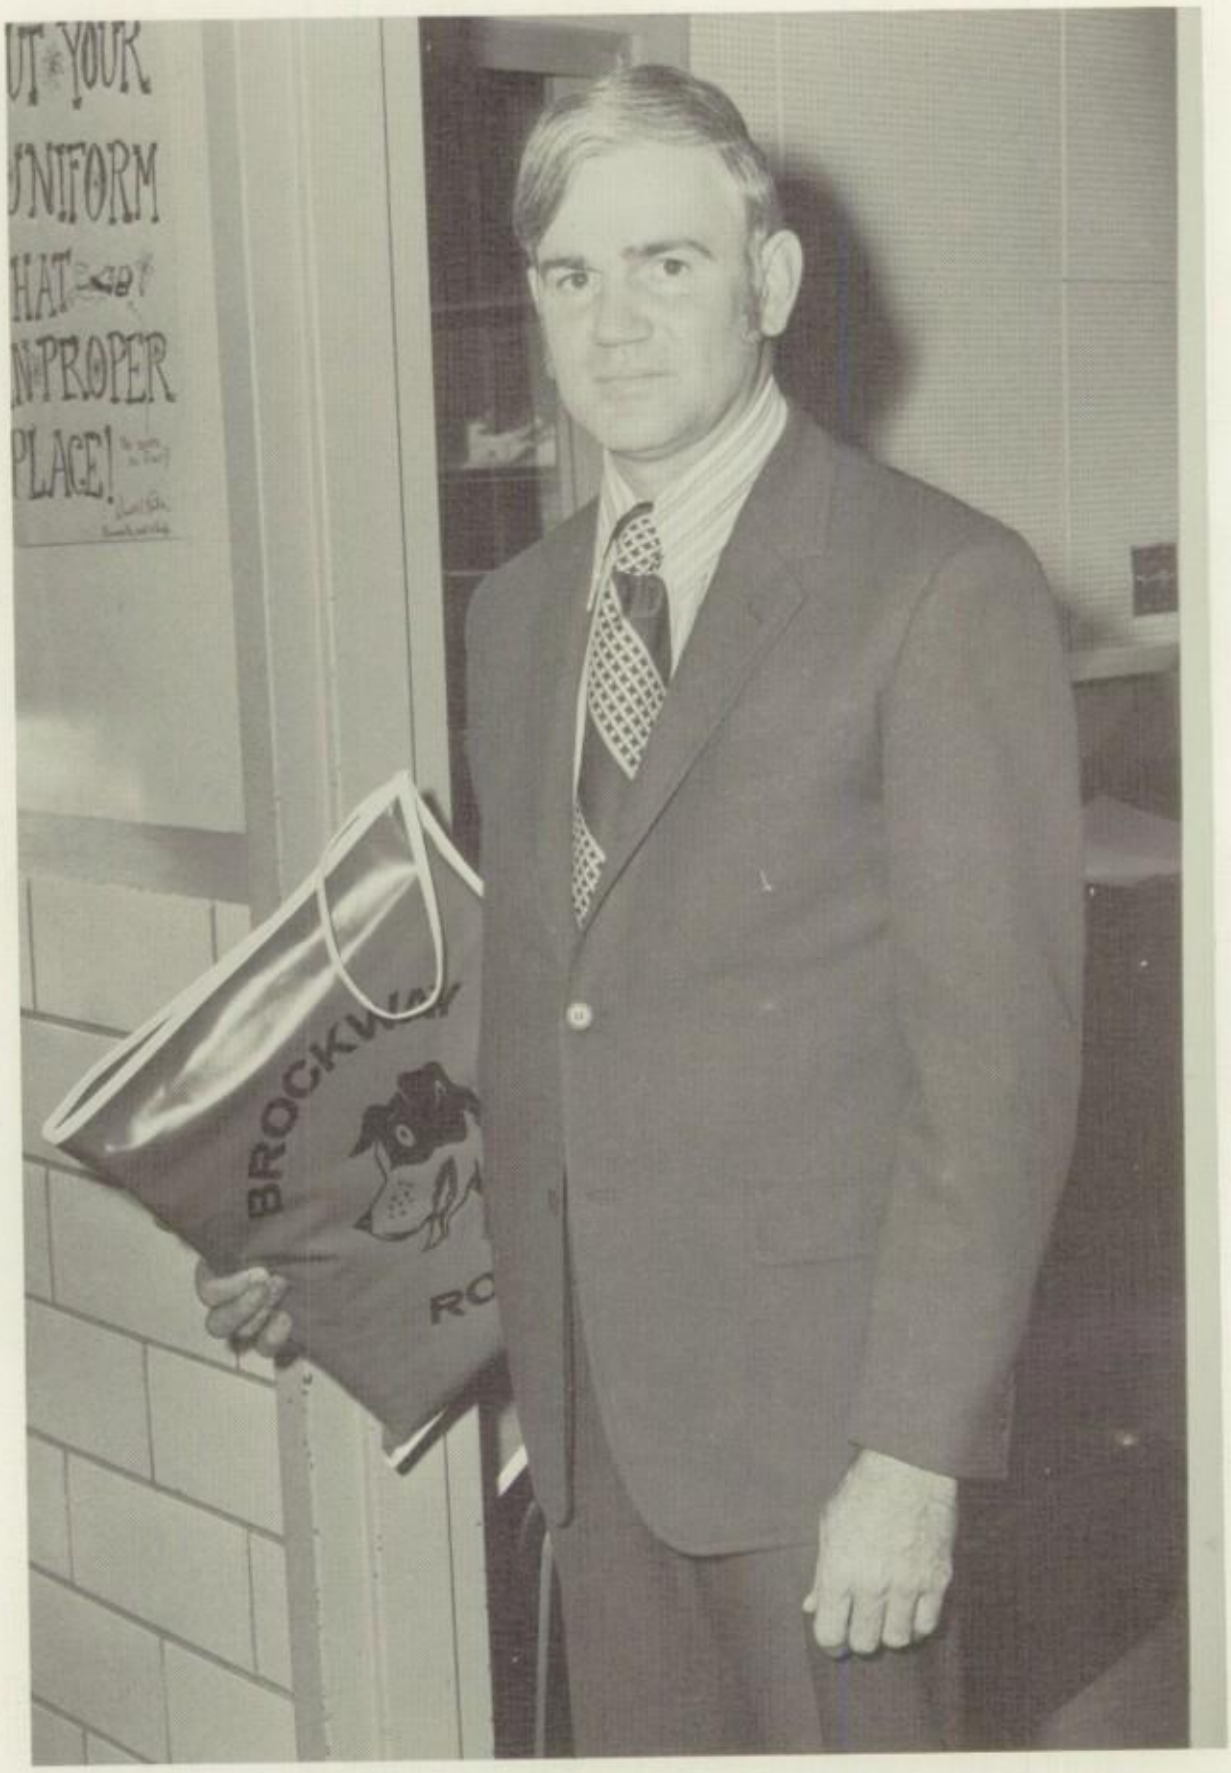
The Year Of The Rover

1972

Thank The Stars



In considering the dedication of the yearbook, the Class of 1972 decided to recognize a teacher who has enriched our lives not only educationally, but personally. We wished to honor a person who selflessly gives of his time and talents to help us in our activities, a person who cares enough to get involved in community affairs, and one who has faith in our generation. Since we have often been instructed to "be leaders, not followers" we, the Class of 1972, dedicate our yearbook to a "leader" from our faculty, Mr. Donald E. Routh.

As band director, Mr. Routch is in charge of both Senior and Kadet bands. He also assumes responsibility for the Pep Band which plays at our pep rallies, games, and matches; the Pit Band which is essential for our musicals, assemblies, and special ceremonies; and the Marching Band which lends to the excitement and festivities of football games.

As a civic minded individual, Mr. Routch is willing to cooperate with the Jaycees, the firemen, and various other groups to make community events Brockway can be proud of.

Mr. Routch believes in the younger generation. He believes that students should be able to make decisions for themselves. He believes in the ability to do things for ourselves. He knows that we can make it in the world if we try.

In recognition of his qualifications, beliefs, and efforts, the Class of 1972 proudly and sincerely dedicates the 1972 DAWN to Mr. Donald E. Routch, a teacher, a leader, and a friend.

The Legend Of The Rover

Once upon a time, long long ago in the peaceful quiet valley of Brockway, there dwelt a mighty football team. This mighty football team had drive, determination, power, strength, stamina-everything needed to make a good team EXCEPT a field. The reason that Brockway didn't have a football field was that the subjects of the land of Toby couldn't afford to make a field; hence, the lads from Brockway played a schedule that consisted of away games. Their games took them high and low, near and far. A witty newspaper reporter of the day noted this fact and coined the "Rovers", because the boys of Brockway roved all about. Thus, we, the proud and fighting teams of Brockway, are known as Rovers.
